

Stavanger, 3rd July 2024

Welcome to the IB Diploma Programme at St. Olav videregående skole

School starts on **Monday August 19th at 9:00**. More information will be sent by sms in August before school starts.

We will meet in the Amfi with a welcome from Headmaster, Karl Roar Vigmostad and introduction to the IBDP by IB Coordinator, Fiona McLean Andvik. You will be assigned to your tutor group and spend time in the first two days getting to know one another, the school and life as a student at St. Olav vgs.

Literature for groups 1 and 2 plus textbooks for groups 3, 4 and 5 subjects can be loaned from the school library. Your subject teachers will guide you through this process once classes start.

Lockers are available but you must supply your own lock. You are required to have your own laptop to use in all classes though it is not needed on the first days.

There is a non-means tested stipend available from Statens Lånkasse towards the cost of general school materials including a calculator. More information can be found at: www.lanekassen.no

Should you plan to use the bus and/or train as transport to school, you may purchase the young persons card – Ungdomskort. Information is available in English at: <http://www.kolumbus.no/en>.

We look forward to welcoming you to the IB Diploma Programme at St. Olav vgs.

Best regards,
